

The ArtChics Invite You...

to a benefit for BRING and M.E.C.C.A

2008
 November 7-8
 Friday, 4pm-8pm
 Saturday, 10am-4pm
 5273 Center Way
 Eugene, OR

*Come, buy some
 affordable art
 and support a
 very worthy cause.*

The ArtChics, a local women's art group, invites you to "Do The Write Thing: A Showcase of Handmade Cards and Other Art Treasures." Part of the proceeds from the ArtChic's sale will go to supporting the new BRING Planet Improvement Center and M.E.C.C.A. Many of the art pieces are made from donated and/or recycled materials.

The Planet Improvement Center is an exciting new community facility that blends BRING's popular used building material outlet into a conservation theme park with art, gardens and practical information to make sustainable living easy and fun.

M.E.C.C.A., the Materials Exchange Center for Community Arts, is a nonprofit organization whose mission is to divert reusable materials from the landfill and put those items back into the hands of people that can make use of them, from artists and teachers to youth and their parents.
