Subject: DIVA to screen "Z" by Costa-Gavras

DIVA's Art House Films and Conversation series screens the French language political thriller film "Z" by Costa-Gavras at 7pm on March 16th.

The film presents a thinly fictionalized account of the events surrounding the assassination of democratic Greek politician Gregoris Lambrakis in 1963. With its satirical view of Greek politics, its dark sense of humor, and its chilling ending, the film captures the sense of outrage about the military dictatorship that ruled Greece at the time of its making.

"Z" stars Jean-Louis Trintignant. Also appearing are Yves Montand and Irene Papas.
